Dear Volunteers,

The Rahway Center Partnership is very pleased to once again offer the Volunteer Incentive Program for 2009 to encourage volunteer participation and to thank our many volunteers for all their dedication and service. The volunteers who qualified for the 2008 award were recognized at the February Board of Trustee meeting and received their awards.

The program calls for each volunteer to work at several events which will entitle them to a gift certificate to be used at one of our local restaurants downtown. The details of the program and the qualifying events are listed below. Please note that the number of volunteers needed differs from event to event and we will make assignments based on a first come, first served basis. RCP Board of Trustee members and staff are not eligible to participate in this program.
